Ryan Jay P. Castellano

Applicant

ryancastellano13@gmail.com 09667481250 Filipino Single Male

Objective

Resourceful IT professional equipped with hands-on system troubleshooting, database administration, and multimedia content creation experience. Eager to contribute strong organizational skills, Google Workspace proficiency, and fast adaptability to your organization by managing daily administrative tasks, organizing structured digital records, and executing creative and technical deliverables with speed and precision.

Work Experience

Executive Assistant (Remote, 2026), *Great Find LLC* 07/2026 – 09/2026

- Produced and edited short-form video advertisements and promotional ad assets.
- Managed end-to-end video editing workflows using CapCut, Canva, and Adobe Creative Cloud.
- Maintained organized digital media libraries and coordinated video deliverables with leadership.

IT Intern, *PACIGEMPCO* 01/2026 – 04/2026

- **IT Operations & Data Admin:** Completed 486 hours supporting cooperative systems, managing data administration, and verifying digital records to ensure accuracy.
- **Technical & System Support:** Handled daily hardware troubleshooting, office tech support, and file administration to minimize operational downtime for staff.
- **Documentation & Graphic Design:** Digitized organizational documents and created custom digital layouts and promotional media for official events.
